

# TRIPLE CERTIFIED

For Technical Rescue/Extrication,  
Wildland Firefighting and  
Emergency Medical Operations

## VIKING SHIELD Maximum Protection and Flexibility

Introducing multipurpose, lightweight gear that's as tough and flexible as the challenges you face.

- Three types of gear in one
- Snap-in the moisture barrier to switch from wildland to technical rescue/extrication gear and EMS gear
- Lightweight, durable comfort
- True suit sizing
- Optional blood-borne pathogen protection

### WILDLAND GEAR

NFPA 1977-approved for wildland firefighting

### TECHNICAL RESCUE/ EXTRICATION GEAR AND EMS

NFPA 1951-approved for technical rescue/extrication and NFPA 1999-approved for EMS with snap-in moisture barrier

INCLUDING OPTIONAL BLOOD-BORNE PATHOGEN PROTECTION

Extrication and Traffic Accidents - Wildland Firefighting - First Responder Operations  
Emergency Medical Operations - Clean up - Floods and Natural Disasters - Confined Space Operations  
USAR - High-Angle Rescue Investigations ...and much more.

# VIKING SHIELD
