

VIKING YouSafe™ Ignite NFPA Turnout Gear

Lightweight Flexible Gear with Thermal Protection

Lightweight gear with an NFPA trim package for increased visibility. Knee reinforcements in Para Aramid and heavy duty Velcro for durability. Raglan sleeves and several pockets for a practical fit with freedom of movement.

VIKING can supply a complete package or single items for firefighters working in marine and offshore environments.

All are NFPA approved and accepted by USCG.

Integrated Drag Rescue Device

Collar strap for firm closure

Knee reinforcements with Para-Aramid
